Troy reported Dr. Edmiston on Myers Road, called 2 weeks ago, wants to sell 14 acres north of his current residence and keep 15 acres.

Rod reported trimming trees, picking up trash, hauled concrete to culvert on Hampton Road from Bob Kaffenbarger's farm. Ask if Trustees have been on Studebaker Road north of Ballentine Pike? The curve that was damaged by Champaign county Engineer in 1995 is again in bad shape, Trustees believe Champaign County is out of responsibility, Rod will work on it. Discussed construction of mail box at Fire Station, mail carrier said he would prefer to deliver on the lot, will put in Rod's box till new box at 8440 TROY Road can be installed. Ask if any of the Trustees knew of the accident on Myers Road, Saturday night, south of Charlie Baker's? Car went thru fence and standing on its nose.

Bob reported Christine Pence called him, stating the Beagle Club on State Route 41 wants to put tile across Sherman's yard and will be crossing Spence Road. He informed her they should come to township meeting and discuss it. Informed Spence Road must be put back to original shape.

Dale presented map of his land, formerly Wilhelm property on State Route 235. Suggested cutting three proposed lots by 100' eliminating the waterway. If he does not go that route it will go all the way to St Paris-New Carlisle Road costing Bob Bishop approximately \$15,000. Dale still wants to fix the drainage problem that now exists. Bob said he would like to see the water problem fixed before he can agree with the proposed change.

Several residents present to discuss Beagle Club located on State Route 41 in Pike Township. Gary Sherman spoke for the group, biggest concern is the thistle problem. Stated most have spent lots of money on their lawns, not sure what they will look like in the fall. Mr. Workman President of the club presented his plan for caring for the problem. They intend to spray for Johnson Grass & get rid of thistles. Have replaced & repaired tile hoping to eliminate drainage to Snyder's Pond. Mr. Brigman apologized to the residents for any inconvenience the thistle problem might have caused. He spoke in great length about what they have accomplished and their future plans. Bob said the type of thistle is noxious and will need to be mowed. Mr. Bringman ask if Round-Up will take care of thistle? Bob & Dale agreed it will take care of anything. Bob ask about mowing along property owners? He replied it has been mowed one time. Bob reminded them it is their property and they are responsible for mowing. Dale commented every other strip mowed - 70' wide. Harold stated the ORC requires mowing, after 5 days notice the township can do the work and charge the owner. Ask for someone to do spraying? Trustees suggest Vigoro since they are just down the road. Mrs. Grimm ask what will happen next year to all the lawns? Who is responsible? Mr. Bringman again responded they will spray for thistles. He said they will take comments from this meeting back to the membership and see how they want to handle the situation. Will work with everyone on the tile. Mr. Studebaker suggest they spray now and sow before winter.

R#56/97 BEAGLE CLUB MUST MOW FOR THISTLES

Motion by Mr. Kaffenbarger, seconded by Mr. Maxson the Beagle Club must mow the whole field, 14" - 16" by August 26, 1997, weather permitting, or township will mow, this included strips between fence and property owners, also this motion gives 7 days time span, next spring it will be 5 days. Motion passed.

Mr. Bringman said they will need to cancel a scheduled meet for October, the club will lose a lot of money and will be a real inconvenience to people attending since it has been published and no way of letting people know it has been canceled. He is requesting Trustees take a look for approval after work is finished. After hearing Mr. Bringman's statement some residents commented they do not want the club to lose money or possibly go broke, they only want the problem taken care of and they do not want to cancel the scheduled event. Ask Trustees about resending the motion.

Harry Massie, Mayor of North Hampton reported he has received several calls from residents in Pike Township asking for assistance, he must inform them they will need to call 911 and help will be dispatched thru Sheriff's Department. Joe Lewis, Police Chief said there are only 3 deputies and if they are permitted to patrol it would be of no cost to township, only a monthly fee for gas. He promised no abuse to drivers when stopped. He said the Trustees opinion will be honored. Not asking to go into the township to harass. Officer Cultice will have a report at each township meeting. They are asking for 1 - 3 mos. probation. Current response from Sheriff's Department could be up to 30 minutes. Harry said everything is video taped at all times the cruiser is in operation. Mr. Engle said Sheriff's response time is unbelievable & people are speeding on Myers Road with no patrol. Chuck Kronk said only one Sheriff's car in Enon & Park Layne and they are periodically calling for North Hampton for assistance.

Mr. Pencil said current law enforcement doing a good job. Mr. McMahan said will increase response time, they are already responding with Fire & Emergency. Mr. Lewis said if cruiser is visible it will detour crime. Mr. Nicodemus said he hit 2 tire rims while riding cycle on Detrick-Jordan, feels vandalism will decrease if patrolled. Mr. Lewis said patrolling will not cost residents nor township liability. Mrs. Hageman discussed car burned earlier this year on Detrick-Jordan. Mr. Maxson ask If Village has 2 vehicles, how can village pay for patrolling the township? Mr. Massie does not feel that will be a problem, since it is a small township & response time will not be that far from the Village. Mr. Kaffenbarger, commented on same statement, ask Mr. Lewis if something happens in the township and the cops from North Hampton are assisting, who will assist North Hampton? German Twp will cover North Hampton. 2 cops paid for through grant, 1 out of Village funds. Grants are good for 3 years. Most arrests are \$90.00 plus court cost for 10 mile over limit, if 12 miles over \$180.00 set by state. If they appear in North Hampton they will less likely receive jail time. Mr. Skillings ask if township would go along with plan, will you collect fees from township? After court costs township will receive half. Mr. Maxson ask how are you trained? Mr. Lewis reported he rode with Sheriff's Department, regular classes, certified by OSU, said officers only want to get to the situation to calm things down until Sheriff's officers can arrive. Mr. Skillings said Trustees will talk among themselves and give them an answer. Dale will call Mike Riddle about insurance liability.
